## TEAM BASKETBALL LEAGUE (for 15-to-18-year-olds) 2020-2021

Age Control Date:  
Age as of January 1, 2021

**COST -\$800 per Team**

The Cumming Recreation and Parks Department is excited to offer a 15-to-18-year-old Team League with competitive play in both girls and boys divisions. For this year's league, instead of individual player registration, entries will register as teams.

Each coach will register his or her team through the Recreation Department Office at 437 Pilgrim Mill Road and pick up a team packet. Coaches, who must be 21 years old or older, will be responsible for submitting roster forms with each player's name, address, date of birth, and signed waivers to complete league entry. Rosters should consist of 8 to 10 players. Only players listed on the team's official roster will be eligible to compete in games. Players on school teams are ineligible to play in the league.

Cost of team entry is \$800, and will include jerseys for players. Team's place in the league will be secured with payment of registration fee.

Practices will begin in November, with games beginning in December. An eight-game regular-season schedule will be played as well as a post-season single-elimination tournament. Games will be played primarily on Sundays with weeknight games added toward the end of the season.

For more information on the league, or to receive a Team Packet, please e-mail Athletic Coordinator Laura Spivey at [lspivey@cityofcumming.net](mailto:lspivey@cityofcumming.net) or call (770) 781-2030.
