*At Cumming Recreation and Parks Department, our fitness, open gym, camps, athletics, and instructional programs are centered around the individual. This individual could go to a big box gym or another park and recreation agency with more to offer and possibly for less, but the City Recreation Department is different. We are a department that is small but offers that level of service and programming unmatched. You are our friend, we want you to succeed, we want to push you to better yourself. We are a social club, someone to talk to and spend time with. We are teaching youth how to work hard and not give up, how to respect themselves and each other but also how to win and how to lose.*

*Our fitness program is a small group based class with a lot of one-on-one attention. We are not your big box gym or agency where you are a number, you are someone and a very important person to us. In our classes we know your name, we know when you are not there, we want to help, and we want you to have fun. We offer many different programs to make exercise more interesting, as well as someone there to hold you accountable, but also to push you to bring out the best in you. Sometimes just being around other people and socializing can be exercise in itself, mental exercise. So if you don't like a large crowd and you are looking for somewhere that will help you obtain your fitness goals, as well as improve your physical and mental well being, then you have found a place here at Cumming Recreation and Parks Department.*

*If you buy an **ALL-IN PASS** it will include fitness classes along with the privilege of using Dobbs Creek Recreation Center during open gym times. Basketball, Volleyball, Pickle Ball, and Walking will be offered.*

*For 50 years we have set ourselves apart from the rest and continue to do so today. Please come join us!!*

# Self Defense / Hapkido

Hapkido is a Korean Martial Arts. It incorporates Judo, Jujitsu, and Tae Kwon Do into its self-defense structure of attack and defense techniques. Hapkido does not just stop at training physical techniques; it also develops mental and emotional discipline in a structured class environment. Hapkido is the most effective defense against the most common and uncommon assaults. Some techniques practiced are punching, kicking, blocking, and various combinations. Not only will they learn self defense, but they will also learn self respect, self control, self discipline, and the respect of others. Hapkido instructor Frankie MacDonald has studied Hapkido, the Korean Martial Art of Self Defense since 1997 and is a 5th degree black belt. The Cumming Recreation and Parks Department is excited to have Frankie working with our youth and adult Hapkido Self Defense programs.
