Dance Instructors

Instructor Sandy Griffin has been a dance educator for over 40 years and is beginning her 21st year at CRPD. She has had extensive training as a dancer with many renowned teachers and performers, has judged many dance competitions, professionally danced in ballet and musicals and has owned her own dance studio in Marietta. She has been educated in the RAD syllabus for teaching beginning-professional levels at the Royal Ballet School in London, England and the United States. Sandy has also had 20 years of extensive training and performing in the French, Italian, Russian and Cecchetti style of ballet.

Instructor Andrea Mosher began dancing at the age of three with the CRPD dance program. While in the program as a student she discovered her love for teaching while assisting with various classes. Andrea attended many master classes and intensives at Brenau University, Kennesaw State, and Bandan Koro. She graduated with honors from Tyler College in TX, where she majored in dance with a focus in dance education. While at school she taught at a local pre-professional dance school, performed in several of the college's dance shows, choreographed a piece for their annual student-faculty recital, and worked as an assistant to the director of the school's annual Nutcracker production.

Instructor Jennifer Spencer danced for 14 years under the direction of Joanne Plimpton, who implemented the Al Gilbert school of technique in tap, jazz & ballet. During that time, Jennifer taught under Ms. Plimpton as well. She attended the University of Alabama, where she danced under the instruction of Cornelius Carter, a former member of the Alvin Ailey Dance Theatre. Also, the respected Edie Barnes (who was a transforming factor in the dance program at Alabama) was a mentor and teacher. Jennifer is currently a teacher & coach at Denmark High School in Forsyth County.

Self Defense / Hapkido

Hapkido is a Korean Martial Arts that incorporates Judo, Jujitsu, and Tae Kwon Do into its self defense structure of attack and defense techniques. Hapkido does not just stop at training physical techniques; it also develops mental and emotional discipline in a structured class environment.

Hapkido is the most effective defense against the most common and uncommon assaults. Some techniques practiced are punching, kicking, blocking, and various combinations. Not only will they learn self defense, but they will also learn self respect, self control, self discipline, and the respect of others.

Hapkido Instructor Frankie MacDonald

Frankie has studied Hapkido, the Korean Martial Art of Self Defense, since 1997 and is a fifth degree Masters. The Cumming Recreation and Parks Department is excited to have Frankie working with our youth and adult Hapkido Self Defense programs.
