

Dear Families,

It has been a wild few weekends with the winter weather we have experienced, especially with inclement conditions occurring on back-to-back weekends. We hope everyone has stayed safe and warm.

Due to the weather, we had to cancel games this past Saturday, January 31, 2026. These games **will be made up during the week of Monday, February 9 through Thursday, February 12.**

We will still be holding the end-of-season tournament as scheduled this Saturday, February 7, for teams that are slated to participate. An updated game schedule will be sent to coaches by the end of this week, and they will distribute it to families. The updated weekday game schedule will also be posted on the main page of our website at [www.crpdonline.com](http://www.crpdonline.com).

If you need assistance finding when your team is scheduled to play, you may call us at **770-781-2030** or email [crpdinfo@cityofcumming.net](mailto:crpdinfo@cityofcumming.net), and we will be happy to assist you.

We would also like to take this opportunity to thank you for another great season of Youth Basketball at the Cumming Recreation and Parks Department. We hope you enjoyed watching how much the players learned and developed this season, and that each participant had a fun and positive experience learning the game of basketball. A sincere thank you as well to our volunteer coaches who dedicated their time and effort to help our players grow and be successful throughout the season.

Lastly, registration for our **Spring League Basketball** season will open on **Monday, February 9**. Registration is available online at [www.crpdonline.com](http://www.crpdonline.com), by phone at **770-781-2030**, or in person at our main office located at **437 Pilgrim Mill Road, Cumming, GA 30040**, Monday through Friday from **8:30 a.m. to 4:30 p.m.**

We are currently seeking volunteer coaches for the spring basketball league. If you are interested, please contact **Josh Smith** at **770-781-2030** or [jsmith@cityofcumming.net](mailto:jsmith@cityofcumming.net).

Thank you again for your understanding and continued support of our youth programs.

Sincerely,  
Cumming Recreation and Parks Department
